SUPPLEMENTAL PRELIMINARY AMENDMENT

Honorable Director of Patents  
Washington, D.C. 20231

Washington, D.C.  
August 7, 2002

Sir:

Further to the Preliminary Amendment filed January 22, 2002,  
and the Supplemental Preliminary Amendment filed July 12, 2002,  
please amend this application as follows:

IN THE CLAIMS:

Cancel claims 1-18 and insert claims 38-107 as follows:

-- 38. An LED lamp for generating incoherent visible light,  
comprising:

an inorganic semiconductor structure comprising a lower  
semiconductor layer having a lower face thereof and an upper  
semiconductor layer having an upper face thereof, said lower and  
upper semiconductor layers forming a diode and an active region  
between said layers generating light, said structure having outer side
